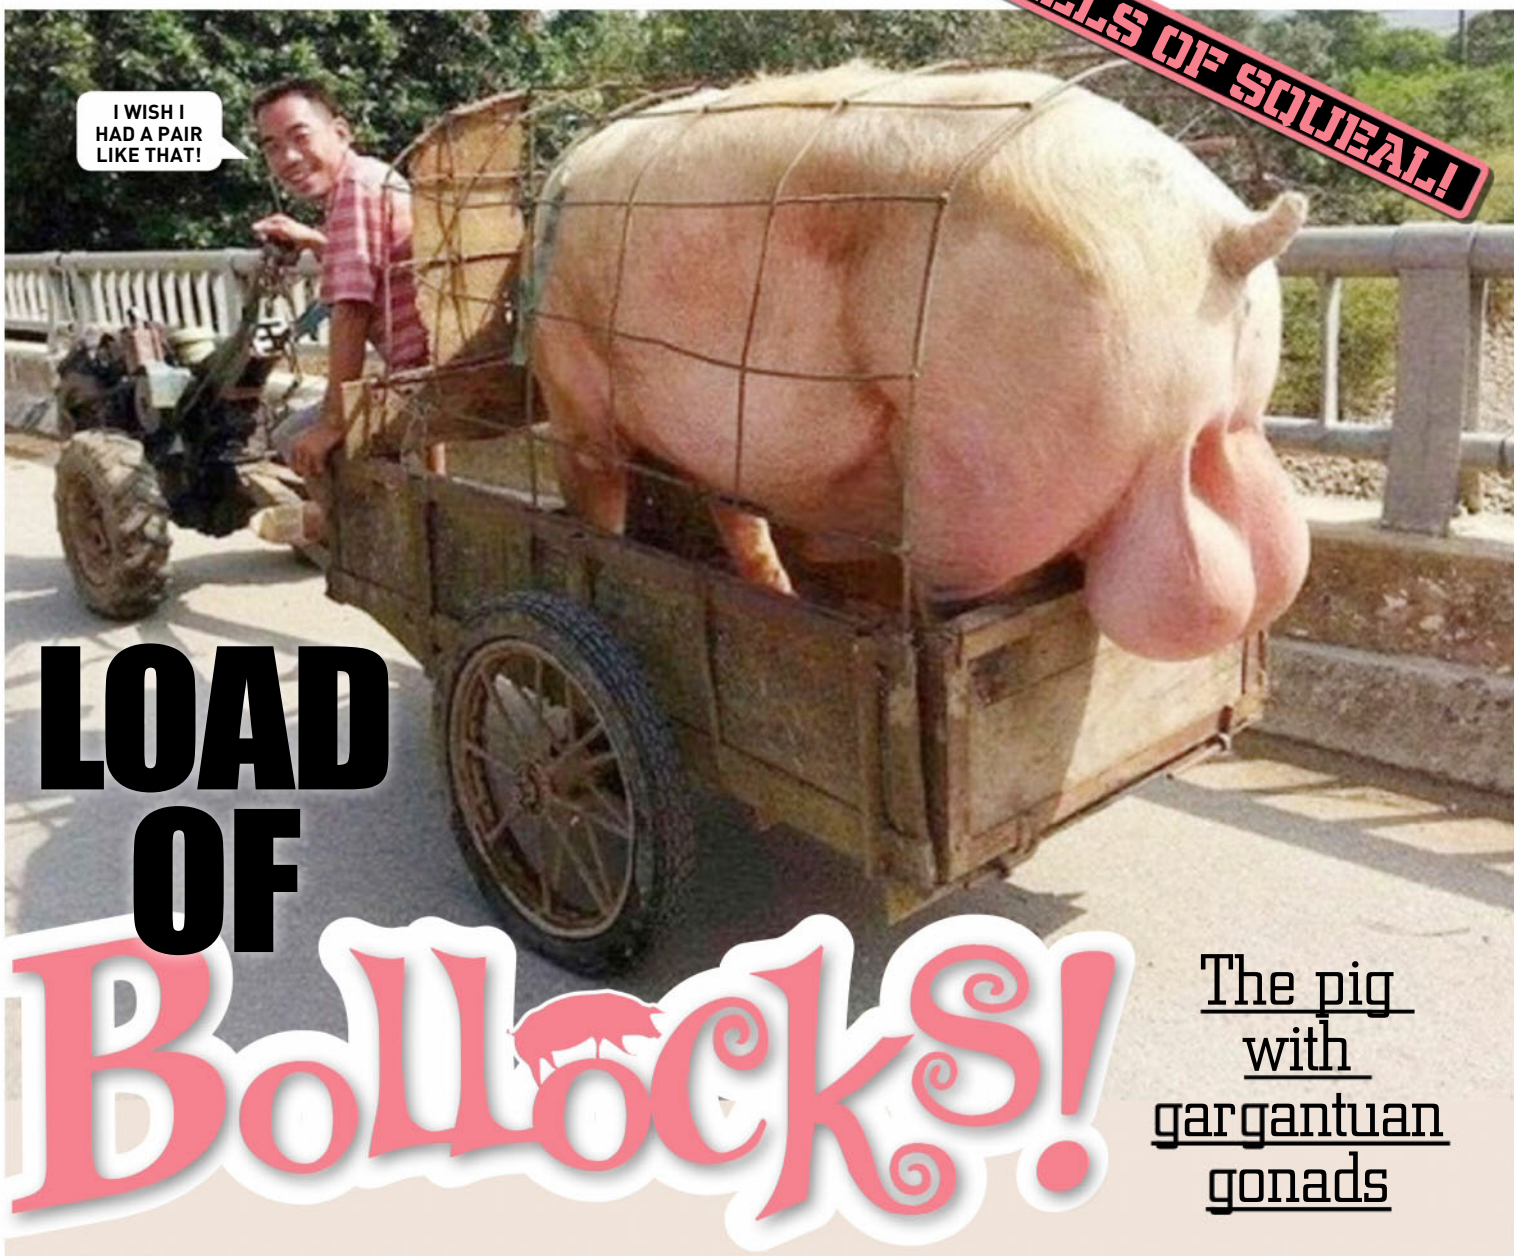
BALLS OF SQUEAL!



LOAD OF Bollocks!

The pig with gargantuan gonads

WE CAN'T see this pig's face, but we bet he's grinning from ear to ear.

Why wouldn't he be? He's got a pair of nads on him the envy of every male on the planet, no matter what their species.

Not only that, but his balls are out and wavin' in the breeze like the proud symbols of blokedom they are. The way balls oughta be. Unfettered and free.

'Cos it's one thing to have a big, gnarly set of balls, but it's a whole other thing to get 'em out and shove 'em in the world's face.

Call us soppy old romantics, but we hope the bloke at the wheel of the tractor is driving Mr Porky there to a mate's farm so he can make sweet love to some nice lady pigs and make lots more little piggies.

He should do alright in that department. Those mega-bollocks look they hold a few dozen litres of pig spoof – each.

So rock on, Mr Porky. You're an inspiration to us all. ■ Picture

Mariana's quitting porn. We wish her all the breast

IT'S A sad, sad day, readers. It's the kind of day when you should really call in sick to work, park up on the couch and drink ELEVENTY TWELVE beers just to forget about how shithouse a day it actually is.

You see, we just heard that mattress actress Mariana Visconti, the greatest knockout to come out of Russia since Kostya Tszyu's right hand, is gunna HANG UP HER TITS. Yep, the 22-year-old stunna is quitting the fuckumentary business and preparing for a post-nude life doing something else.

Why don't you wanna be a porn star anymore, Mariana?

"It's not really that interesting to me anymore. I had a great time doing porn, but I'm over it."

"MY FAVOURITE
IT IS

WAY TO DO DOGGY STYLE”

You didn’t have any twitter wars with your fellow perfomers, did you?

“No, I have nothing but good things to say about the other performers.”

What was the best thing about rooting for a living?

“All the sex. My favourite way to do it is doggy style, and I love watching my own movies when I’ve finished them.”

If you’re not making movies, what will you be doing with your time?

“I don’t have any particular talents, but people would be surprised by some of my interests outside of porn.”

Is there any chance you’ll make a comeback?

“Yes, but most likely I’ll stay retired.”

We can only live in hope. ■ Picture

News Flash

Believe it or not, this shit happened!

ISIS GIRLY MEN

HEAPS of THOSE murderous ISIS cunts have been caught fleeing Mosul dressed as sheilas to escape the advancing Iraqi army. Blokes like this fuckwit, above, have been bunging on dresses and make-up so they won't get shot as they bolt away from the fighting. It doesn't work so well when they don't bother to have a DAD 'N' DAVE first, though. Ol' beardy chops here couldn't bring himself to get rid of his face fungus, so, despite a few layers of lippy, mascara and powder and a nice frock, he was caught as he tried to escape through enemy lines. Who would've guessed those crazy head-choppin' dickheads were a bunch of cross-dressers?

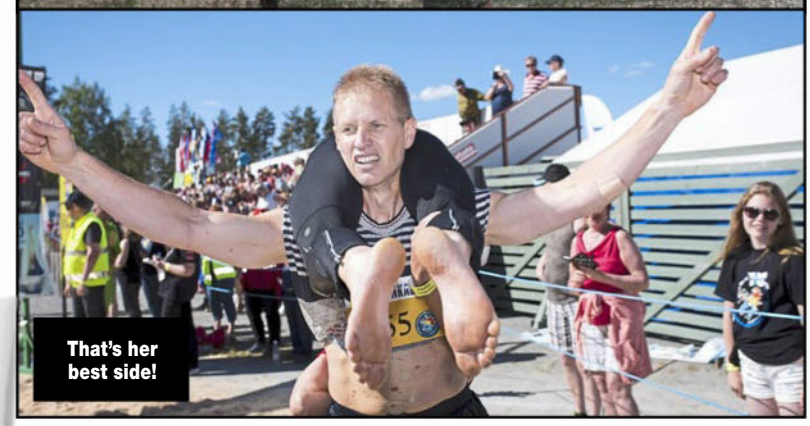
CARRY-ON BAGGAGE

WIFE-carrying is the hot new international sport. Originating in Scandinavia, the ancient past-time of chucking the missus over one shoulder and going for a jog harks back to the Viking days, when they did a lot of that sort of thing. It's run over a 250 metre course with fences, water hazards and nagging mothers-in-law to negotiate, and it recently expanded to include comps in Ireland, Belorussia and all over the place. All you need is a strong back, a better half who weighs over 50kg, and somewhere to chuck her after the finish line.

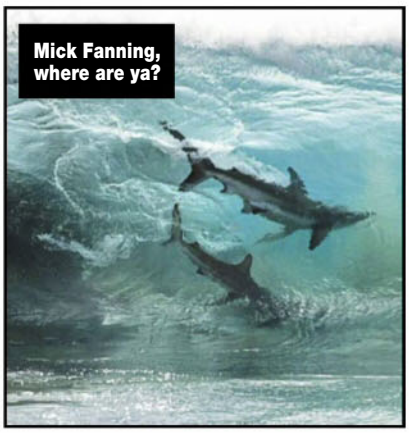


That's her best side!

#300 WE DREW A COCK ON IT

SHARKEN HELL!

GOLD Coast wildlife snapper Sean Scott was on holiday with his family at Red Bluff, 140 kilometres north of Carnarvon, WA, but that didn't stop him unpacking the ol' box brownie when he saw hundreds of bronze whaler sharks hoeing into a massive school of bait fish just off the beach. He used a drone to capture the moment. "When the drone went up I could see there were hundreds of sharks out there and I knew it was a pretty rare and special event," he said.



Mick Fanning, where are ya?

BIG IN JAPAN

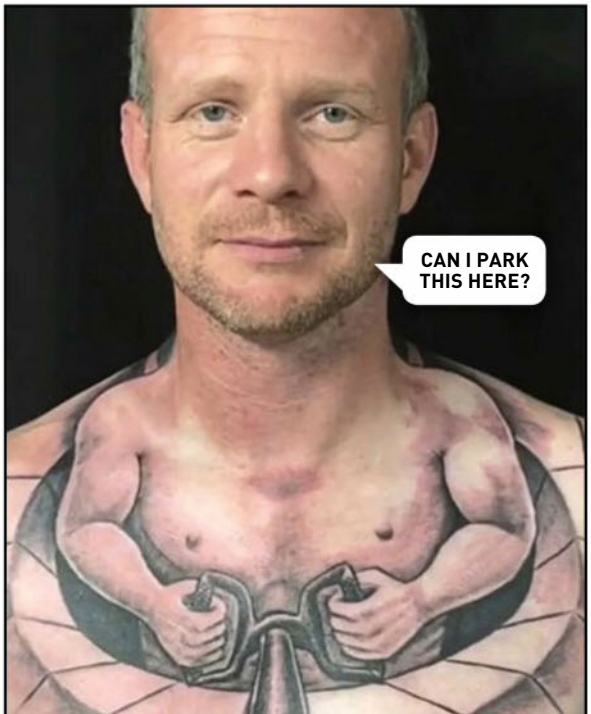
IN A good news story, Japanese chicks are getting bigger in the tit department. According to a recent survey the average bra size in Japan has been going up in bouncy LEAPS AND BOUNDS since the 1980s. Teensy A-cup bras, which used to make up over 50 per cent of sales, are now only 5.3 per cent, the arse has also dropped out of the B-cup market, while sales of C, D and E-cup bras are bloody booming. And F-cuppers, once a rarity in Japan, now make up six per cent of sales. Jap tits rock!

SURF'S UP

FRENCH Paralympian Michael Jeremiasz's sport is wheelchair tennis, not surfing. But that didn't stop him doing a bit of crowd surfing at the Eurockéennes Festival in Belfort, France. The gold medalist from the Beijing Olympics was hoisted up by the crowd for a bit of a spin and reckoned it was pretty cool. "It was a really intense moment. I felt like I was literally floating on all these people" he reckoned.

CHEST A MINUTE!

WE DUNNO who this bloke is, and usually we give gimmick tatts the big raspberry, but there's something about this one that's got us sitting back going "Whoah!". See, it's like there's this little bloke sitting in the neck of a bigger bloke, in front of a dinkly steering wheel that's controlling the whole contraption... anyway, you get the idea. If it was just another tatt of a smoo in an armpit we wouldn't be bothering with it, but this guy's gone all conceptual on us. You try not dreaming about this tonight.



The BACH BABE B

Simone loves lesbian and doggy style – the

YOU newbies may not recognise her out of her white dress, but *The Bachelor* babe Simone Ormesher should be familiar to regular PICTURE readers.

Simone got superbly naked for us as the Made In Oz girl back in our award-winning #1296 edition, and backed it up with an appearance in our very rude sister mag, *100% Home Girls*.

Back then, before she was even thinking about appearing on the very popular TV show *The Bachelor*, in a series of HONEST and OPEN interviews Simone gave us an insight into what makes her tick.

And that included lezzo porn, doggy style rooting and being tied to the bed. TICKETTY-FUCKEN-TOCK!

"I really enjoy girl-on-girl porn," she explained, making us BLUSH SLIGHTLY. "Just a sneaky watch of a scene and I'm ready to go."

iCandy

ELOR BARES all!

porn, bondage perfect wife!

And later, "I love being tied up to the bed and kissed all over."

Then, when we BRAVELY asked what her favourite rooting possie was, she HELPFULLY replied: "Doggy style. Absolutely. It makes me scream the house down!"

Well, you can imagine how SHOCKED we were. But we manfully pressed on, TENTATIVELY inquiring as to what her naughtiest sex story was.

"I once went to the beach in the middle of summer when there was people everywhere, and met this guy. We decided to get naked and do it in the ocean," she explained to us. "He was under the water and I was on top, trying to keep a poker face. The riskiness was so hot."

So Matty, ya dickhead, for fuck's sake PICK SIMONE.

'Cos if you don't, WE WILL!

AUSTRALI BEST MULLE

We found Oz's beautest neck-warmer

WINNER!

Ross, Currumbin, QLD

TO SOME fools, a mullet is just a stinky fish that nobody wants to eat.

But to people with a greater appreciation of truth, beauty and the Australian way, it's the haircut that pisses on all other haircuts.

The cream of the crop. The do of dos.

To celebrate this king of cranium decoration, THE PICTURE recently launched a nation-wide comp to find the best mullet in Oz, and we were so overwhelmed with entries we had to hire on special MULLET SCRUTINEERS to see fair play done.

Eventually, though, we had to pick a winner, and that is Ross Smith of Currumbin, Queensland.

No doubt about it, Ross is

THE BEER HUNTER!

NUMBER ONE WITH A MULLET!

As we slipped him his 400 smackers for winning, we grilled him about his ACE CUT.

When did you first decide to take on the mullet, mate?

"Back in the 70s – 76, I think. It wasn't called a mullet back then, though. I was a sharpie. My mates and I all had the look."

How do you maintain it?

"I've had many people over the years look after it, I've even had mates cut it, but at the moment I have my hair stylist Evie Lopez."

She's doing a beaut job. What do your friends and family think of it?

"My family love it. Although my son, who's a hairdresser, wants to cut it off, so I don't let him near it."

How does it feel taking out the title of Oz's Best Mullet?

"It's awesome. My son entered me and when he told me I'd won, I thought he was having me on."

Any words of advice for budding young mullet growers?

"I tried to start a mullet club a while ago and we had a few young fellas join and start growing mullets, but their mates all pressured them into cutting them off. So to any young people out there wanting to grow a mullet, I say, 'Don't give in – let the mullet's grow!' and 'Mullet's are awesome!'. And never wear hats – you can't wear a hat when you've got a mullet." Picture

A MAN takes his Rottweiler to the vet. "My dog is cross-eyed, is there anything you can do for him?" he asks.

"Let's have a look at him," says the vet.

So he he picks the dog up and examines his eyes. After a few minutes he says, "I'm going to have to put this dog down."

"What?" exclaims the man, confused. "Just because he's cross-eyed?"

"No," says the vet. "Because he's really fucken heavy."

A MORMON was seated next to an Irishman on a flight from the UK to the US.

When the plane was airborne, the stewardess came around and took drink orders. The Irishman asked for a whiskey, which was placed on his tray.

But when the Mormon was asked if he would like a drink he replied in disgust, "I'd rather be savagely raped by a dozen whores than let liquor touch my lips."

The Irishman handed his drink back to the stewardess and said, "Me, too. I didn't know we had a choice."

Q. WHAT DO YOU GIVE A MAN WHO HAS EVERYTHING?
A. ANTIBIOTICS.

O.R., MALVERN, SA

A BLOKE goes into a pharmacy and asks to talk to a male staff member. The woman behind the counter says that she and her sister own the store, and there aren't any men employed there. She asks if there's anything she can help with.

"It's a bit delicate," says the man. "The thing is, I've got a permanent erection. I've tried everything to get it to go down – hours of sex, ice, slapping it, but nothing works. I was wondering what you could give me for it."

The woman calls her sister over and the two of them go into an intense huddle.

JOKE OF THE WEEK WINS $100

AN ITALIAN, a Frenchman and an Aussie are sitting in a pub knocking back the beers and shooting the shit.

The Italian starts bragging what a great lover he is. "Last-a night-a I fuck-a my wife her three times, and in the morning she makes-a me the spaghetti for breakfast and tells-a me what a great lover I am."

Then the Frenchman opens his gob.

"Zat is nothing," he says. "Last night I make love to ma wife five times, and in the morning she bring to me in bed champagne and caviar and tells me with tears in her eyes that I am ze greatest lover in the world."

But the Aussie bloke says nuthin'.

So the Frenchman and the Italian turn to him and ask how many times he made love to his wife the night before. "Just the once," says the Aussie, and they snigger at him.

"And what did she say in the morning?" the Italian sneers.

"I think she said 'Don't stop,'" replies the Aussie.

ROD, GYMPIE, QLD

Eventually she turns back to the bloke and says, "We discussed it at length, and the best we can do is a 1/3 share in the business, a company car and $2000 a month in living expenses."

YAB, SYDNEY, NSW

AN OLD married couple are going to bed, and the woman comes in wearing a a vintage silk nighte.

"Do you remember this, honey?" she asks coyly.

"I do indeed," he says. "You wore it on our wedding night."

"That's right," says his wife. "And do you recall what you said to me that night?"

"Yes," says her husband. "I said I was going to suck the life out of those tits and screw your brains out."

She smiles and says "Yes, that's exactly what you said. Do you have anything you want to say to me now?"

"Yeah," says her husband. "Mission accomplished."

R.R., ABECKETT STREET, VIC

Q. WHAT DO YOU CALL A GREEK BLOKE FALLING FROM A BUILDING?
A. CON DESCENDING.

N.R., YARRIE LAKE, NSW

A YOUNG bloke is about to get married. Since his parents are both dead and he was raised by his grandparents, he goes to his grandad to ask how often a married couple should have sex.

The old man tells him, "Lad, when you first get married, you want it at least twice a day. Later on, maybe only once a week.

"As you get older, you get by on once a month, then, when you get really old, you're lucky to get it once a year, on your birthday."

Curious, the young bloke asks his grandfather, "How about you and Grandma?"

The old man replies, "Oh, these days we just have oral sex. She goes into her bedroom and I go into my bedroom. She yells, 'Fuck you,' and I yell back, 'Fuck you, too, you old bag!'"

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

TOP CUNT!

G'DAY, Mungo. The piss-funny Aussie comedian Jim Jeffries took the axe to the 10 commandments and reduced them down to one – DON'T BE A CUNT. In theory, this cuts a lot of red tape, but there's still a shit-load of cunts out there, and thanks to social media, a shit-load of photographic evidence of cunts being cunts. But now that I'm an old cunt, and my cuntiest days are behind me, I'm all for Jimbo's idea. He's not just a funny cunt, but a smart cunt, too.

P.L., MILDURA, VIC

MUNGO SAYS: In life, it all depends of what sort of cunt you are. As the TISM song said, "I may be a cunt, but I'm not a fucken cunt." It's a subtle distinction. I wouldn't want to ban funny cunts, or smart cunts, or even beaut cunts, but those fucken cunts, ya gotta give them the old heave-ho. Anyway, thanks, P.L. You're a top cunt.

NOW YOU'RE COOKIN'

I'VE always had the horn for TV chef Nigella Lawson. I reckon she'd be a top root, and what about the great breakfast she'd cook you the next morning! So when I saw the Homie Flashback girl, Bridget from Perth in #1436, I thought she was the closest I'd get to seeing Nigella in the nude. Do you know if Bridget can cook?

M.O., NEWCASTLE, NSW

MUNGO SAYS: I don't have any info on Bridget's cooking skills, but fuck it, you could always hit Maccas for an Egg McMuffin after the root. Dunno what it is about Nigella, but a hell of a lot of naked chicks in these pages seem to look like her. But obviously, we'd like to see the real thing. C'mon, Nigella, giz a look at your steaming hot-pot!

BUSHY

MUNGO, in issue #1435 the Made In Oz girl Kelly is one of the very few teens with a perfect bush, and she's got the best boobs. More girls with pubes please!

AL, SUNNY COAST, QLD

MUNGO SAYS: Most young 'uns don't understand the beautness of pubes. They don't get it 'cos they've never been there. Whereas us old bastards who grew up with pubes – well, not exactly, but you know what I mean – can appreciate the curly little champions for the memories they bring back. Remember the first time you got some chick's pubes stuck in your teeth? Great, wasn't it? But you try and tell the kids of today that and they think you're nuts.

MUNGO WANTS TO KNOW...

The pubes/no pubes debate is on the agenda again, and I want youse to chuck in your two cents worth – but in verse. Yep, I'm starting a BUSH POETRY comp for poems about pubes. Get 'em in to me, and if I use yours, ya get $50.

SHED A TEAR

MUNGO, old mate, I'm seriously shat off about being dumped on by a friend of my missus for being a PICTURE reader. I was showing her my shed and she spotted my collection of mags and started going off what a dickhead I was for reading the best Aussie mag ever. I put up with it for about three minutes then I told her, "My shed, my rules, you can fuck off." Then she gave it to me for being a sexist pig. Jesus, I don't go to her joint and rail on her for reading Dumb Bitches' Fashion Monthly. How do ya fucken win, mate?

BOOF, TRARALGON, VIC

MUNGO SAYS: Your big mistake was giving her those three minutes. I would've shut her down after 30 seconds. A man is master of his own shed, and that she presumed to get up ya about your reading material there is... well, it's just plain bad manners. Some people are just brung up wrong.

OI – NUN OF THAT!

MUNGO, I see in the news, there's been another bloody story of a priest touching up young kids. Why don't they just let them root the nuns instead of making them so sexually frustrated?

L.K., BATESFORD, VIC

MUNGO SAYS: Good call. Technically, nuns are married to Jesus, but since he's been dead for 2000 years, they'd be getting a little toey by now. And if it keeps priests from humping the altar boys, I reckon everyone's a winner. Mind you, some of those Catho priests would rather root road kill than bone a nun. They're fucken weird, those blokes.

MY COCK'S IN THE WITNESS PROTECTION PROGRAM

HEAVILY ARMED

MATTHIAS "Hellboy" Schlitte might look like he spent the last decade wanking himself stupid, but he's actually been engaged in some serious, high-level sport. When he was 16 growing up in Germany, his dear old mum suggested he take up arm-wrestling as a way of making the most of a genetic defect that made his right forearm a third bigger than his leftie. Matthias was an instant success on the professional arm-wrestling circuit, and now, 11 years later, he's a world champion and has even scored a TV ad contract for AEG power tools. Obviously Mrs Schlitte ain't no dummy. "Everyone has a challenge in life," Matthias reckons. "I'm not religious or anything but this was a gift from a higher power and this was my calling in life." Yep, God does move in some pretty mysterious fucken ways, alright. We only hope that when Matthias does have a quiet tug, he uses his left hand. 'Cos we reckon his poor todger would get pulled out by the root if he doesn't.

HALF A GUN SHOW!

Typical German right winger...

AHHH...SWEET DREAMS!

ONS OF GUNS!

America's most armed man is up to his arse in shooters

IF YOU ever broke into Mel Bernstein's house in El Paso County, Arizona, your best hope would be he'd be so fucken confused trying to decide which gun to shoot you with you'd have time to get away.

'Cos Mel's got 3000 of the blasty little champions, and all of 'em are in perfect working order.

Some of them ain't so little, either – included in the collection are a dozen .50 calibre machine guns and some nifty bazookas.

And if even if he misses you – unlikely, 'cos he practises regularly on his own firing range – he can always run you over with his 40-tonne Russian tank.

Mel, originally from Brooklyn, acquired a taste for blam-blams while working as weapons tech during the Vietnam War.

An ex-motorcycle mechanic, his customised Harley-Davidson features twin Colt 9mm submachine guns mounted on the handlebars and a dragon head flame-thrower, hence his nickname, Dragon Man.

"Everything works. Nothing's fake," he says of his collection. "Because this is a private collection, not a government museum, everything can work."

That includes the 300 blasters he keeps in his bedroom.

You can tour Mel's museum, which includes weapons and from every war the US has been involved in from WWI onwards, then have a crack at blowing the heads off some cardboard commies on the shooting range.

You can probably even get a cuppa tea and a sanger there.

Just don't try to steal the teaspoons. ■ Picture

Talking Dirty WITH TRINITY

FANNY OR TRANNY?

HEY Trin, I think you're gorgeous. I'm totally into women, but lately I stumbled across tranny porn. It's weird because they seem like chicks, but they have dicks. Am I gay if I am attracted to them? I think they are pretty cool and I'd love to see one in the magazine. How do I make this happen?

H.L., PARKLEA CORRECTIONAL CENTRE, NSW

TRINITY SAYS: ***Just quietly, I have a fetish for trannies. You get the best of both worlds. It doesn't make you gay, it makes you bi because you like both. Embrace it, it's not a bad thing. You never know, we could've had a tranny in the mag but you never get to see full snatch.***

SPIT ROUGH

I WAS with this chick recently and I decided to use spit for lube – you know, like they do in the pornos. So, yeah, basically I spat on her pussy as I was about to enter her and she looked at me with this furious look in her eyes and slapped me square in the face really hard. Nothing kills the moment like that. Don't you reckon that's a bit harsh?

MICK, LAWSON, NSW

TRINITY SAYS: ***Hell yeah, that's harsh. What a fucking stick in the mud she was. Next time perhaps be a little more subtle first and see how it goes down. It's all in the delivery.***

BOOMERANG BLUES!

TRIN, my cock bends like a boomerang. I'm really self-conscious about it. I was wondering if you've ever slept with blokes who have cocks that curve off like mine. I'd hate for a woman to laugh at it.

TYRONE, GOLD COAST, NSW

TRINITY SAYS: ***I came across a man with a member that resembled a horse-shoe shaped penis. Fucking not good to work with, let me tell you. However, a curved penis can be a good thing for squirting. So don't dredge ya dick, I'm sure girls will love it if you know how to use it.***

ME SO PORNY

TRIN, do chicks look at porn? I like to watch porn on the reg, but my missus hates it and she says that most other women hate it too. Have you ever looked at porn? What's your favourite style?

CLARKEY, GOSFORD, NSW

TRINITY SAYS: ***Umm are you serious, mate? Chicks love porn, your missus is a prude. Christy Mack, Bonnie Rotten and Sandra Romain are some of my faves at the moment. I also love to watch double penetration porn.***

FILTH MILFS

I'VE never been interested in much older chicks until just recently. I came across some photos of this MILF porn star called Julie Ann – have you heard of her? Now I can't get enough. I swear I've been beating my meat like it owes me money. The poor thing

"I LOVE TO WATCH DOUBLE PENETRATION PORN"

is gunna end up in a plaster cast the way I'm going. MILF's fucken rock.

RYAN, HOBART, TAS

***TRINITY SAYS:** Yeah mate, I've rubbed several out to Julie-Ann – she's ace! Lisa Ann and Shyla Stylez are also hectic MILFs. Finger blast me please, ladies!*

WANNA ROOT?

HEY Trin, I've attached a pic of my dick, but Picture probably won't print it because they are cunts. I'm in good shape and would love for you to sit on this? No ladies have ever knocked it back. What do you reckon?

ROOSTER, BRISBANE, QLD

***TRINITY SAYS:** Dude, I think I just threw up in my mouth and we don't print dicks when they look like that. Well Rooster, there is a first for everything, so consider this a solid knock back. Say hi to Mr Palmer for me, 'cos that's all you'll be getting.*

TRINITY'S CONFESSION

I just want to be fucked and fed at the same time. My love of food mixed with my love of sex – yes, please! Having someone feed me ice cream while giving me a sensual but solid finger-blasting would have to be the biggest turn on. If you ever do that to me, you better be wearing a raincoat and gumboots as the possibility of showers (squirting) would be very high!

DOCTOR SMOO

I WAS watching *Doctor Who* the other week and was thinking that if I had a time machine I'd definitely go back and root heaps of famous women from the old days. I'd know all the tricks of the trade about getting chicks that they'd never even thought of. All the old birds wouldn't be able to get enough of my future-cock. Trin, who would you root from history?

B.S., ADELAIDE, SA

***TRINITY SAYS:** Hmm, good question mate, love this one. It'd be Ann Margaret, 100 per cent. I'd tear that ginger goddess a new one!*

TOSS THE SALAD!

HI Trinity, I've been having casual sex with this guy for a while now. The sex is great and all, but the other night he asked me to lick his arsehole. I personally think it's a bit gross, but if he really wants me to do it then I'll give it a try. The thing is, I don't know anything about it! Should I get him to wash himself first? Is there a special way to tongue his bum? Have you done it and did you enjoy it?

BRIT, YANCHEP, WA

***TRINITY SAYS:** Hun, don't do anything you don't feel comfortable doing. But I think if you've never done it before you should at least give it a go. Firstly he should definitely wash himself first, that's a given! When he's done that, then just go for it, babe. The only way you'll learn is by experimenting.*

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

WHO:
Kayaker Joe Davies

WHERE:
Grand Union Canal, UK

WHAT:
He got beat up by a swan!

OUCH FACTOR
55%
It was really his pride that copped a severe buggering.

JOE DAVIES was asking for trouble. For a start, he's a ranga out in the sunshine, which shows you he's a man who loves flirting with danger.

And when a swan's nickname is Tyson, you'd have to figure he can fuck you up, so Joe must've known what he was getting himself into when he paddled past the big beaky bastard's nest on the Grand Union Canal in Bugbrooke, Northamptonshire, UK.

Tyson, over a metre tall and with a two-and-a-half metre wingspan, is famous for taking no prisoners when defending his nest.

He's got a bad rep for attacking people on and off the water along a four kay stretch of the canal, and most people have the brains to keep out of his way.

So what does Joe do? He paddles into the death zone, his rusty noggin beaming out a challenge to Tyson.

"I'd heard the rumours about Tyson, but I had never seen him before," the cocky bloodnut recalled.

"He went for me as soon as I got in the water. I eventually capsized and he went for me as I was falling in, which made me panic.

"I've been kayaking on this stretch for five years and I'm a confident boat user, but I was terrified."

Joe, you were beaten up by a swan. GET UP YA SOOK, before a sparrow steals ya lunch money. ■ Picture

GIRL ON TOP

Aussie stripper Isabelle Deltore is riding high

WHAT WILL SHE GET UP TO NEXT?

IT'S been a while between drinks, but we're stoked to have Isabelle Deltore back in the mag for the first time since 2012.

We always knew the ex-prison warder turned Melbourne stripper was bound for the big time, and after a Miss Nude World title in 2015, multiple overseas tours, and, more recently, a handful of gongs at the Australian Adult Industry Awards, you could say she's made it.

But is she sitting on her cute arse watching daytime telly and taking it easy? Like fuck she is. Onwards and upwards, that's our Isabelle.

A new website. Some girl-on-girl video action. An upcoming appearance at Brisbane Sexpo. Yeah, the girl's got it goin' on.

Sounds like you're busier than a one-legged man at an arse-kicking contest.

"I'm always looking to do more with my career. I get bored easily. If I'm not getting naked on stage, I'm getting naked on camera."

Just so long as you're getting naked. What's been the highlight so far?

"Definitely doing my own website. Now all I do is dream up ways to get off, film it and upload it. Best job ever!"

What's the buzz like when you're

"YOU HAVE TO LOVE WHAT YOU DO"

performing for a crowd?

"It's insane, stepping onto a stage and having thousands of people watching you. Everyone is waiting for you to do some awesome moves and get naked. It's terrifying, but the adrenaline is the best."

What makes a good stripper?

"You have to love what you do. And smile – no one wants to see a showgirl up on stage with a face like a smacked arse."

You told us you loved watching porn, Jesse Jane in particular. Do you still dig the porno, and who's your latest fave?

"I'm watching a lot of Joanna Angel's stuff at the moment. I'm loving her whole alt-porn movement. Who knows, maybe I'll be lucky enough to do a girl-girl scene with her one day."

Yeah, we heard you've been filming a few scenes – what sort of stuff?

"I originally just wanted to expand on what I do on webcam, so just solo and soft girl-girl. But my website has really started to become its own beast. The next step is recruiting more girls to film with me. And who knows where it's going to go to from here?"

Wherever it is, we wanna be there. What does the future hold for you?

"Hopefully some trips to Europe. I really like the look of some of the English models. I've got my eye on a couple of girls I'd like to film with over there."

We always wanted to know – how the hell did you go from prison officer to award-winning stripper?

"I got sick of the other guards and their comments. And I knew what the prisoners thought of me. So I thought if they wanted to see me naked, I may as well get paid for it."

Fair enough. So is filming for your website fun?

"Definitely. I was filming a custom video for a fan recently and it was a point of view scene. He wanted the angle of me riding him, but I was struggling to get it right. In the end I ended up fucking my camera guy to get the right shots. So much for not doing boy-girl just yet..."

Oh well. Another day, another new adventure, Isabelle. ■ Picture

THE 2ND COMING!

Stacked Zoe is back by popular demand

WE'RE not sure it's possible, but 20-year-old Zoe looks EVEN BETTER than last time she was in the magazine.

Whaddaya reckon, readers – are her MAMWICHES getting even bigger or what?

"I think they are getting bigger, too," explained the beaut bartender. "I guess I can't really complain too much, can I?"

Those things must stop traffic. And by that we mean AIR TRAFFIC!

"Guys are always looking at my chest. It's been that way for a few years now. I think I may have actually caused a car accident last summer because of them."

Crikey! Was anybody seriously hurt?

"No, I was walking near the beach with my friends and this car with a few guys in it had a bit of a prang. I'm sure they were staring at us when it happened."

Your AIRBAGS could've saved the day. Are you single at the moment?

"I'm kind of seeing someone. I don't think he'll be happy about me being in this magazine, but I'm sure

We're listening...

"We once had sex in the elevator of a hotel we were staying at. Of course somebody came in and caught us. I was so embarrassed, but I guess I should've seen that happening."

Do you like it HARD and FAST or SLOW and ROMANTIC?

"Definitely hard and fast. I love a bit of hair-pulling and dirty talk, too. I like all the naughty stuff. You name it, I've probably tried it."

Have you ever faked an orgasm?

"Yep. I hate to say it, but it's true. I prefer a real one, though. I love it when a guy goes down on me. I wish more guys were into that. I think lots of foreplay is really important."

What sort of blokes do you go for these days?

"I'm into bad boys at the moment. There's something dangerous and fun about them. I can't really explain it."

Yeah, Mungo's lovely when he's not trying to STAB US WITH A PEN. Have you ever been with another chick?

"You guys asked me that last time. I still haven't done it – I just prefer guys in a sexual way. Don't hold it against me."

Oh we won't, Zoe. Picture

My Milf Fuck

MATURED TO PERFECTION

I'VE been keen on older babes ever since I was a young bloke and was taught a few things by this MILF one memorable night.

I was hanging around this bar when this 40-ish babe grabbed the stool next to me and started chatting me up. At first I wasn't into it 'cos I was only about 21, but she turned out to be pretty cool and I thought, "Why not?"

Anyhow, come closing time she asked me back to hers and immediately it was different to every other hook-up I'd ever had. She had a two-story house with hot and cold running everything, and there were no flatmates and no pizza boxes piled up everywhere.

After getting us some drinks – top shelf, no rubbish – she steered me upstairs to this bedroom bigger than my flat and told me to make myself comfortable while she got ready.

When she came out of the ensuite all dolled-up in a black corset thingy that pushed her tits out to buggery and left her well-trimmed little cooze peeking out I nearly shot my load on the spot.

She put a bottle of champagne in an ice-bucket by the bed – it was one of those electric jobs that went up and down – and proceeded to blow my young mind.

She gave me a blowie that I still dream about to this day, full-on deep throat with major suction, not the half-hearted licky-lick jobs I was used to.

Then she shoved me back, pressed a few buttons on a remote to bring the end of the bed up, and knee walked up me until her smoo was poised right over my throbbing cock.

When she shoved he hips down and took my whole cock in her cunt in one movement I thought I was gunna faint it felt so good.

She fucked me senseless all night, and the next morning drove me to work in her Mercedes convertible. MILFs rock!

R.C., BELROSE, NSW

HOWDY, NEIGHBOUR!

MY NEW next door neighbour was a hot MILF, but it wasn't until one arvo I was mowing the lawn and caught a glimpse of her over the fence that I thought about fucking her.

She was kicking back by the pool on in a bikini, with a drink next to her and reading a magazine, and I thought she looked really fine.

As I was having a quiet perve she undid her top, unleashing her set of 34 Ds, and I dunno whether I made some sort of grunting noise at the sight, but just at that moment she looked up and saw me peering at her. But instead of cracking the shits she laughed and asked if I wanted to join her for a swim.

I thought "Fuck yeah!", so I scrambled over the fence and jumped in the pool in me jocks. She joined me, her freckly tits swinging in my face, and while we splashed around she explained she was divorced and had the afternoon to kill until it was time to pick up her two rugrats from school.

From the look in her eye I knew what she had in mind, so we bolted inside where she peeled off her bikini bottoms to reveal a little dolphin tatt next to her perfectly shaved smoo.

I couldn't resist – I had to growl her out, and I loved the taste of her tangy cunt juices as I licked away. By her moans I knew she was enjoying it, too.

She was so wet that when I spread her legs apart, she actually dribbled on the sheets, and when I shoved my cock into her it slid all the way on the first push.

We went at it hard for a couple of hours until she had to bolt and do the school run, but for the rest of the summer we had a sesh of arvo sex at least once a week.

I WAS fortunate enough when I was about 20 to not only be fucked by a hot MILF, but also be passed on to her horny friends.

It all started when she joined in a pub sesh with me and some older blokes from my work who she knew. The guys were joking that she could teach me a thing or two, and she took it as a challenge and whisked me off to her place. Well, the blokes weren't wrong – she was way more experienced sexually than any girl I'd been with before.

The first thing she did when we got to her bedroom was lie down so her face was on cock level, unzip me, flop out my old fella and swallow him until my knob was tickling her tonsils.

It was like she couldn't get enough of my cock, the way she slurped and slobbered all over it, while at the same time she was frantically fingering herself.

She also did things like sticking a finger up my date while she was sucking me off, letting me fuck her up the arse and come on her tits – stuff like that.

After a couple of weeks of hot rooting she told me, that while she loved fucking me, she was also rooting a couple of other guys and I was just a casual fuck to her, which was OK with me.

But then she mentioned this friend of hers that had just been divorced and was gagging for some sex, and would I like to meet her?

Um... OK! So she set it up, and the next thing I know I was being hawked around as a young stud to a group of four or five MILFs who wanted nothing more than a good time.

All my mates who were hooked up with steady girlfriends were envious as fuck.

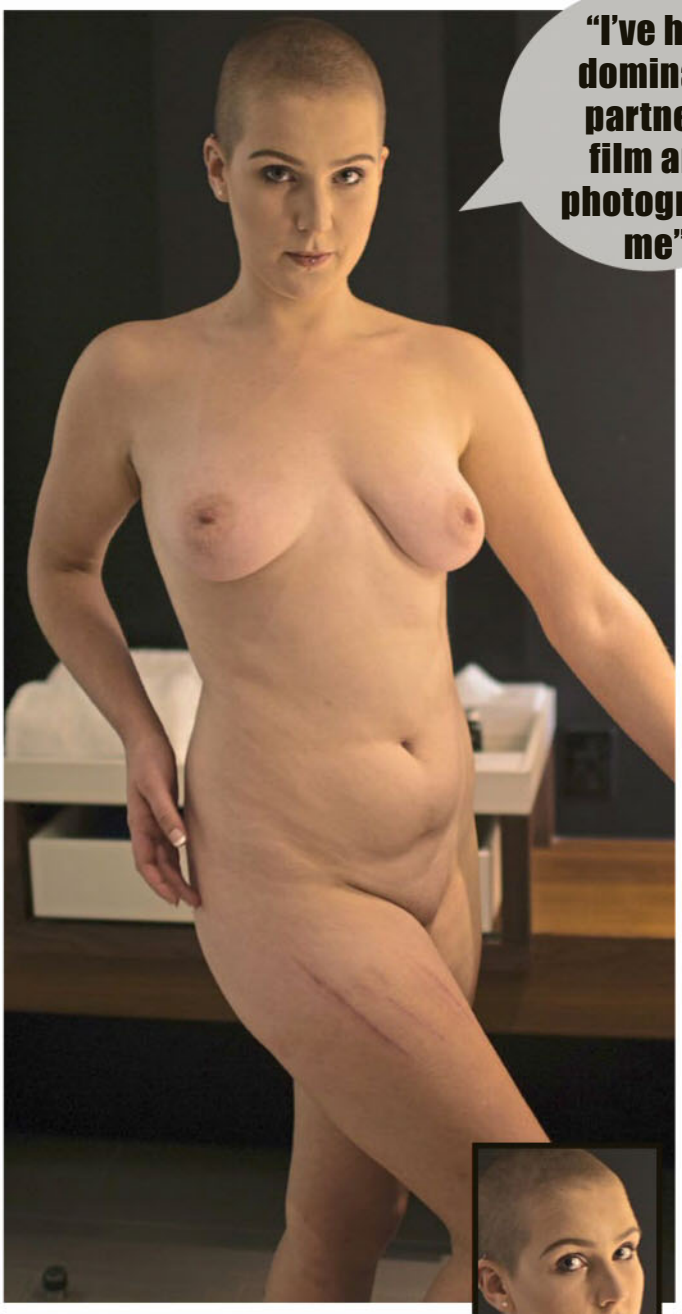
GO HARD! GO HOMIES!

This week...

BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS



"I've had dominant partners film and photograph me"

RUBY
MELBOURNE, VIC

Crop-topped Ruby does nude modelling "quite often". ***You obviously like getting your kit off.*** "I find it quite liberating. I feel nude modelling has helped me become less of a vulnerable person and it has also helped those who feel they aren't curvy enough or thin enough to be accepted as beautiful." ***What do you like about your own body?*** "I like my legs and my head." ***What is the most explicit thing you have done on camera with the bits between your legs and head?*** "I've had dominant partners film and photograph me while I submitted. But publicly, I'm yet to do any erotic modelling." ***Here's to hoping that changes.***

WHAT IS THE WEIRDEST THING YOU HAVE IMPROVISED AS A SEX TOY? "I don't think I've used anything unusual, just the usual things like vibrators and restraints."

RIVER
CAMPERDOWN, NSW

The last time 25-year-old River let her fingers do the walking, things didn't end well. "I was amazing at the beginning, then the iPad fell on my face. It was hard to get back into it after that." ***Where there's a will, there's a way. What was playing?*** "I had a video from Redtube playing." ***What was the genre?*** "Generally always group, gang bang or anal." ***Do you enjoy a bit of group sex in real life?*** "I think the best one was on my birthday. I rented out a hotel room for my birthday and invited a whole bunch of friends. Everyone fucked the birthday girl."

WHAT IS THE WEIRDEST THING YOU HAVE IMPROVISED AS A SEX TOY? "A friend of mine had a juggling club that we decided to try and play with. It became a bit of a competition to see who could get the most in. I definitely beat her. She didn't warm up at all. Rookie mistake."

MINX
BYRON BAY, NSW

Minx, 26, looks fairly comfortable naked on the couch, so we're pretty sure she is quite happy to get naked anywhere else. ***What do you like about posing nude for prestigious magazines like ours?*** "I like the feeling of liberation and the sensuality." ***What was the first time you disrobed for the camera? Was it for us?*** "It was for an art photography project. I was made into a naked angel." ***Sounds heavenly. Where you nervous the first time you got naked in front of a lens?*** "I do life-modelling for artists and I love being naked at home, so not really, I wasn't nervous." ***Good. Hopefully that means we'll be seeing a whole lot more of you in the future.*** **WHAT IS THE WEIRDEST THING YOU HAVE IMPROVISED AS A SEX TOY?** "I would rather not answer a question like that one."

JESSICA
BRUNSWICK HEADS, NSW

$30 ASK THE HOMIES

What's the most people you've been skinnydipping at once with? Can I come next time?
ELVIS, PARKES NSW
JESSICA SAYS *"I once went swimming with four other girls in Byron Bay after a night clubbing. It was lovely seeing all these nice girl bums bouncing around in the waves in the moonlight. Six moons for the price of one, you could say."*

ROCKY LEIGH
AVOCA BEACH, NSW (ISSUE

$30 ASK THE HOMIES

My 60-year-old missus and I never wear clothes. Are you naked much at home? Even been caught nude?
WAL, NAMBOUR QLD
ROCKY LEIGH SAYS *"I have a 32-acre block so I'm naked almost all the time. It can be a bit awkward when the meter readers show up unannounced! If I get a chance for a nude swim and a sun bake I'll take it. I love being outdoors naked."*

ASK ANY HOME GIRL ANYTHING YOU LIKE. *Chuck us an email at askthehomegirls@bauer-media.com.au or write to* **Ask The Home Girls** *c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000.*

"He went down on me for ages - it felt like it was hours on end"

MADDISON
DARWIN, NT

"I love being blindfolded while my man does whatever he wants to me," says 24-year-old Maddison. "It is kinda like a cheeky surprise." ***What did he do to you the most recent time he blindfolded you?*** "Went down on me for ages." ***Define 'ages'.*** "It felt like it was hours on end." ***What are your tips for better pussy licking?*** "The same method does not work for all girls." ***Ever had a girl eat you out?*** "Yes, and it was fun. But I'm strictly dickly now." ***What do you like about tockoes?*** "That's a hard one, because they aren't much to look at. They feel good when used right."

WHAT IS THE WEIRDEST THING YOU HAVE IMPROVISED AS A SEX TOY? "I kind of went straight from fingers and sex to toys. Although I once broke one on the first use, returned it and got a replacement, then it broke again."

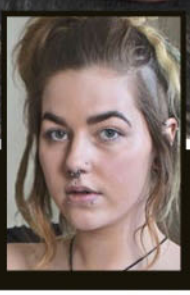
NAHLA

KRISSY & NAHLA

MELBOURNE, VIC



Nineteen-year-old Nahla has a couple of wonderful selling points. "That chest is to die for," says her 26-year-old bosom buddy Krissy. "I love it when girls flaunt their curves, it is so sexy." ***Us too. Maybe she'd share them with you and someone else.*** **Nahla:** "I will get with anyone interesting or intelligent. Gender isn't something I think about." ***How bout both at once?*** **Nahla:** "That is not something I have done very many times, but only due to lack of opportunity." **Krissy:** "I would agree with Nahla. I have tried in the past to find a special someone or special people to have fun with a partner, but found it hard to find people as adventurous as me." ***These girls are dying for a threesome; try harder, world.***

WHAT IS THE WEIRDEST THING YOU HAVE IMPROVISED AS A SEX TOY?

Krissy: "I've actually never used anything unusual. People have been buying me toys since I first started modelling and most people I hook up with have their own collection, so I have never really needed or wanted to improvise."

Nahla: "I tend to stick to my trusty bullet vibrator."

SKYE SUMMERS

MELBOURNE, VIC

Our conversation with Alexis's girlfriend Skye took place MILLISECONDS before she was about to hop on a plane to Tassie so she could GET STARKERS for horny fellas. "I'm off to strip in Miss Nude Tasmania," the 23-year-old said. ***How are you going to win the shit out of that?*** "I'm going to do a cheerleader routine using candle wax." ***Fucken OUCH. Is this normal for you?*** "Yeah, most of my shows are fun and cheeky like that, but still a bit raunchy. When I do buck's parties I try to get the buck involved – you know, maybe pour some moisturising cream or hot candle wax down their pants to humiliate them." ***And then?*** "I usually set my boobs or my smoo on fire." ***Pyromaniacs must love you.***

"I got a guy to come in a cake"

ERICA

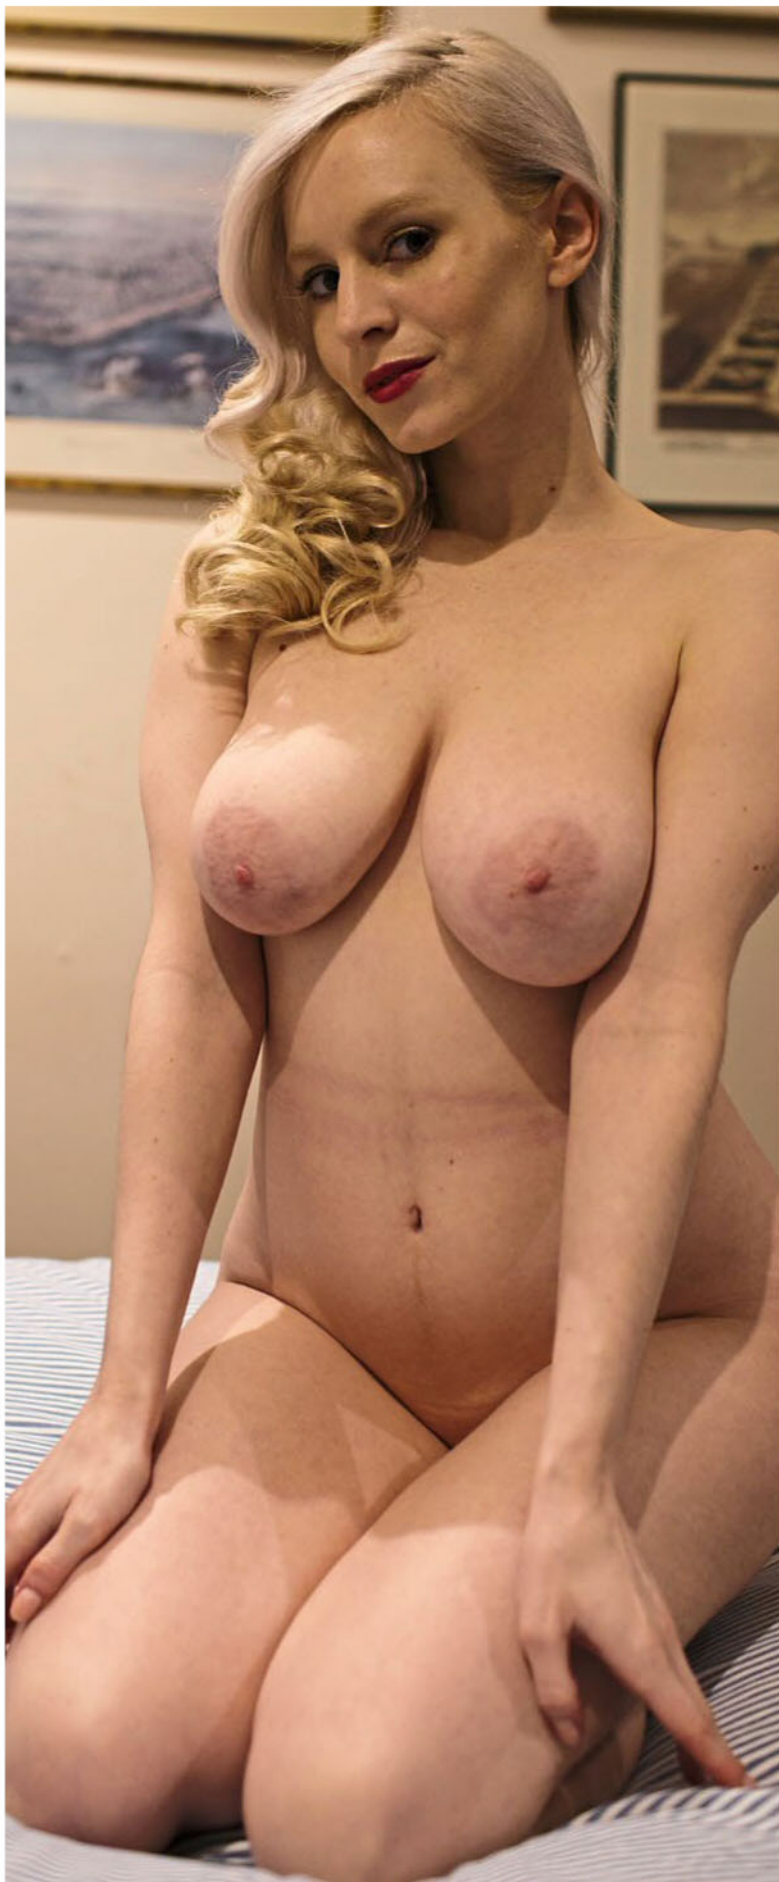
GOLD COAST, QLD

This tiny Philippines-born cock magnet is only 155cm tall, but her appetite for rooting is absolutely colossal. "I go for hot western-looking men and I love to have sex," purred the hard-bodied 26-year-old receptionist. "I like showing off my bum and guys love to give it lots of attention." ***You'd probably love copping it from behind then, right?*** "Yes, but not doggy style – I like riding on top and facing away from him. The 69er position is also very sexy for me." ***What's the kinkiest thing you've ever tried?*** "I got a guy to come in a cake and then I ate the cake. He loved it, and I just wanted to try something wild and different." ***That's pretty bloody different, alright. You should go on MasterChef!***

ROXIE LEIGH

MUNNO PARRA, SA

Has 22-year-old Roxie Leigh ever been caught mid-root? "No. I've had someone walk in and have a conversation with my partner at the time. But it wasn't really getting caught as they knew it was happening and were told they could come in." ***Did they accept your invitation to join in?*** "Not join in, just come in and talk." ***Is there anyone you would like to ask to join in?*** "Quite a few. I always like to mix it up." ***Tell us about your last group romp.*** "It was my birthday. We had a hotel room and a few friends came back with us after partying. I think there was six of us. All of us girls got together. It lasted a good four hours or so before people had to leave." **WHAT IS THE WEIRDEST THING YOU HAVE IMPROVISED AS A SEX TOY?** "The handle end of a shaver with no blade attached."



MIA BELLE
MELBOURNE, VIC

Mia Belle, 29, has her Neighbourhood Watch all in a tizz. "I've had neighbours complain about the noise before; apparently I'm really loud." ***What positions get you at your loudest?*** "I love being bent over, especially if it's a chair or table or something. Leather couches are great, too. I love feeling the leather against my skin." ***Have the neighbours seen you in action?*** "No. I've never had sex in public, but it's one of my biggest fantasies. I love the thought of other people watching. It's so naughty and dangerous." **WHAT IS THE WEIRDEST THING YOU HAVE IMPROVISED AS A SEX TOY?** "I guess that depends on what you think is unusual, but I've been spanked with a hairbrush many times, which works a treat. Just be careful as it can be rather paddle like, which isn't for beginners."

"I love having a girl's legs wrapped around my head"

ALLIE
THEBARTON, SA

Getting sticky fingers at work is a common occurrence for 26-year-old Allie, but not for the reasons you might think. "I work as a chef so I'm used to getting my hands dirty and touching things that might gross other people out like raw fish and meat." ***Nothing gross about meat, but broccoli on the other hand…*** "I definitely am a carnivore, I just don't understand vegetarians." ***What about VADGE-TARIANS?*** "Now that's more like it. I've been with a few women in my life and had a heap of fun every time." ***What was your most recent foray into the world of CARPET-MUNCHING?*** "With a girl from work. We finished in the kitchen at about 2am, went back to hers, had a few drinks and got a little frisky." ***Are you good at GROWLING OUT chicks?*** "I think I am. I love having a girl's legs wrapped tight around my head while I'm going at it – it makes me so wet."

WHAT IS THE WEIRDEST THING YOU HAVE IMPROVISED AS A SEX TOY?

"I once used an Xbox controller. I pulled a condom around it and put it on a game where it vibrated heaps, then rested on my clit and let it buzz away!"

GO FACT YOURSELF!

VODKA

01. It's Russia's national drink, but it wasn't invented there. First distilled in North Africa in the 9th century, it was picked up by Eyetie traders in the 13th, and made its way to Russia around the 14th century.

02. Vodka means "dear little water" in Russian. Sounds like they wanna fuck it, eh.

03. When he was in a good mood, Czar Peter the Great used to drive around in a sleigh pulled by bears throwing bottles of vodka to the peasants. Top bloke!

04. In the 1990s, the average annual vodka consumption in the USSR was 38 litres a head – and that included the kiddies!

Getty

05. The first vodka cocktail to become popular in the US was the Moscow Mule – vodka, ginger ale and a slice of lime. Then came the Bloody Mary. Then James Bond introduced the vodka martini, and the rest is history.

06. It's the number one selling spirit in the world, even though before the 1930s hardly anyone outside of Russia, Poland and the Scandanavian countries had even heard of it.

07. Before the Russian revolution, the Smirnoff family was the official vodka supplier to the Russian royals, but when the commies came to power in 1917, Lenin had most of them shot. He was a teetotaller. The cunt.

08. Vodka was the drink of choice among alco Hollywood film stars in the 1940s 'cos they could nip away at it through the day and no-one could smell it on their breath.

09. You can make vodka out of just about anything – the Polish use spuds and wheat, the Scandos use barley – 'cos the purifying process removes any tang of the original source material.
